

June 17, 2011

Below are anticipated construction activities for the week of 6/20/2011.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Work is scheduled to take place during the daytime hours, though some sidewalk closures will be necessary overnight. Lane closures and restricted parking are to be expected during construction activities on the following streets.

- 16th Street from Illinois Street to Central Avenue
- Adams Street from Roosevelt Avenue to 30th Street
- Chester Avenue from 26th Street to 28th Street
- College Avenue from Washington Street to 16th Street
- Dearborn Street from Roosevelt Avenue to 25th Street
- Delaware Street from Massachusetts Avenue to Vermont Street
- Euclid Avenue from the dead end to 30th Street
- Fletcher Avenue from East Street to the I-70/I-65 overpass at Pine Street
- Grant Avenue between Washington Street and New York Street
- Illinois Street from McCarty Street to Washington Street
- Meridian Street from South Street to Washington Street
- Michigan Street from White River Parkway to College Avenue
- New York Street from East Street to College Avenue
- Ohio Street from West Street to Alabama Street
- Oxford Street from East New York Street to East Vermont Street
- Parker Avenue from I-70 to 25th Street
- Pennsylvania Street from McCarty Street to Washington Street
- Rural Street from 23rd Street to the dead end
- Sanders Street between Ringgold Avenue and Barth Avenue
- **Shelby Street from Naomi Street to Prospect Street**
- South Street from Capitol Avenue to College Avenue
- Station Street from Roosevelt Avenue to 30th Street
- Stuart Street from Roosevelt Avenue to 25th Street
- Tacoma Avenue from 30th Street to 34th Street
- Vermont Street from Rural Street to Oxford Street
- **Virginia Avenue from Prospect Street to Woodland Avenue**
- Wallace Avenue from 10th Street to 16th Street
- Washington Street from West Street to College Avenue
- Wheeler Street from Glenn Drive to 25th Street
- **Winthrop Avenue from Fairfield Avenue to 34th Street**
- **Woodland Avenue from Fairfield Avenue to East Fall Creek Parkway North Drive**

- Intersection of Michigan Street and Kealing Avenue
- Intersection of Ruckle Street and 33rd Street
- Intersection of Michigan Street and Bradley Avenue

The intersections of Delaware Street and McCarty Street and Delaware Street and Market Street may be restricted as work is underway.

The rehabilitation of the Oliver Avenue Bridge over White River will continue. The bridge will remain open during construction with lane restrictions.

The Morris Street Bridge over White River will be closed during construction. A posted detour route will direct motorists around this year-long project.

Some manhole and grate adjustments will be underway on Pershing Avenue from 10th Street to 16th Street, and project work is being completed.

Brick work on Market Street will continue as weather permits.

Lane restrictions are in place on Michigan Street from Union Drive to Porto Alegre Street due to utility work.

Boulevard Place from 21st Street to Senate Avenue is closed while resurfacing is underway.

The intersection of 24th Street and Shriver Avenue will be closed.

Construction is underway to close Orange Street from Harlan Street to Pleasant Run Parkway permanently for landscaping at the request of the neighborhood.

Work is being completed on Martin Luther King, Jr. Street between the bridge over Fall Creek and 30th Street.

Shelby Street and Madison Avenue from County Line Road to Virginia Avenue may have restrictions as construction for bike lanes is underway. This project also extends into Perry Township.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

Traffic is still restricted on Virginia Avenue (southeast corridor), southbound under the Consecration Garage and on New Jersey Street between Louisiana Street and South Street. South Street has intermittent restrictions as well between New Jersey Street and Virginia Avenue. Virginia Avenue between Prospect Street and the underpass of I-65/I-70 has been reduced to one lane of traffic in each direction and moved to the far eastern most lanes for the construction of the trail on the western side of Virginia Avenue. Parking on Virginia Avenue has been eliminated in this area. Work is underway on New Jersey Street between South Street and Virginia Avenue. **Starting June 1, Virginia Avenue between Pennsylvania Avenue and Delaware Street will be restricted to one-way northbound for construction of the trail.** Prospect Street, immediately

west of Virginia Avenue, is scheduled to be re-opened Friday, June 17, 2011, weather permitting.

The Central Corridor (Washington Street) of the Cultural Trail has started, and the contractor is working in the blocks between Alabama Street and Illinois Street on the north side of Washington Street. Utility relocations are almost complete on Washington Street from West Street to Delaware Street.

Georgia Street

Georgia Street is closed from Capitol Avenue to Illinois Street to through traffic. One lane remains open to provide one-way ingress for St. John's church and one-way egress from St. John's church and the Denison parking garage. Georgia Street from Illinois Street to Meridian Street is restricted to one lane of traffic. One-way access to the Simon parking garage remains open. Georgia Street from Meridian Street to Pennsylvania Street is restricted to one lane. One-way access to residential and surface parking areas will remain open. Please visit the project web page at www.indy.gov/georgiastreet.

Scioto Street

Construction may continue on Scioto Street between Maryland Street and the Union Station parking garage.

WAYNE TOWNSHIP
